About This Content

When a band of orcs attacks the town of West Fork, will you and your party bravely defend the townsfolk, and strike back? This variable difficulty adventure module is designed for 4-5 players and comes with pregenerated characters and a full sized digital battle map.

This variable difficulty module is designed to act as a single session encounter or as a side quest to your existing campaign. The unique way it's written and the various appendix sections present three difficulty levels to best suit your needs as a DM.

Requires: A Fantasy Grounds full or ultimate license or an active subscription and the included 5E ruleset.
